CZ SHADOW 2 COMPACT

The same instinctive fit as the CZ SHADOW 2
Smaller • Lighter • Optics-Ready

COMPACT
LIGHT-WEIGHT
PURE PERFORMANCE

An ideal, compact sized firearm for users and fans of the CZ SHADOW 2 models.

Due to the same design, ergonomics, trigger characteristics, controls and sights as the full-size CZ SHADOW 2, the CZ SHADOW 2 COMPACT does not require you to learn new ways of carrying and handling it.

The slide is equipped with a red dot sight mounting interface that is compatible with the one on the CZ SHADOW 2 OR model.

- Butter smooth trigger pull and shortened reset
- Competition-proven ergonomics
- Compact frame forged from highly durable 7075 aluminum alloy
- Rear of slide is ready for extremely low and robust mounting of a red dot sight
- Height-adjustable rear sight
- Highly visible red fiber optic front sight for quicker target acquisition
- Ambidextrous manual safety
- Reduced height, reversible magazine release accommodates left- and right-handed shooters
- Accessory rail on the dust cover for easy mounting of lights and other devices
